### **A Message from the President**

1999 was a very successful year for ASCA We have enjoyed excellent performances from our members in the schools indoor and outdoor programmes, the Colts team, and from individual players at the regional and national levels.

Off the field, significant progress has been made with the key development projects for which we have all been striving. The indoor net cage at Holy Cross School is operational, and the Outdoor practice net cages at the Mill Woods site are on the go. Chris Marathalingam has enlisted the help of wonderful teacher/coaches to firmly establish cricket in the programmes of a number of schools throughout the province.

ASCA is now firmly established, and it is time for me to step down and make way for new blood to guide the organization. Thank you to the Executive, the members and their families, and all the coaches for making ASCA the fine young organization it is today.

May you continue to grow and spread the word about our sport in Alberta.

  
Seymour Jilner
