Cricket Development Officer & Coach's Report - 2002

Junior Cricket in Alberta had a very successful season in the year 2002. Calgary in particular had a well organized program in place for the future of junior cricket. In Edmonton the junior's/Colts team emerged champions of the 'B' division tournament of the E&DCL. This was the first win by a junior team since 1985.

Even though we could not achieve a single medal at the U18 National tournament Canada Cup in Toronto 2002. The officials of the CCA made special mention about the most improved team at the tournament being Alberta. We have seven nominations to the Canadian U19 team for the year 2003. Kendon Otteley was chosen the best wicket keeper. Nikhil Nagpal was selected MVP Alberta & eight best bowling average. Waqas Mirza made the highest individual score on tour with a 69. And also ended up seventh in the batting averages with a total of 145 runs. Adnan Kamal was in the fielding honors with 6 catches and 8th best in fielding. Divyang Patel U-15 Canadian Player made his maiden 52. Abid Keshwani made 58.

The live-in -Camp RedDeer was once again the most advantageous tool for training the U18 Provincial team. We had 13 players from Edmonton & 7 from Calgary. It is being considered to implement an U18 inter-city game annually on the last day of training in RedDeer. This trophy will be named the Alberta Cup. Special word of thanks to the Junior Coordinator & Coach Mukul Ahuja C&DCL for his assistance.

In the U25 inter-city games Edmonton & Calgary shared the championship with one win each. MVP Calgary Mansoor Choudhary, MVP Edmonton Adnan Kamal.

In the year 2002 we had two representatives to the Canadian Teams from Alberta. Jacob Ramkelawan U19 to the West Indies. Divyang Patel U15 to the Americas USA.

Western Canada U25 tournament Champions 2002 Alberta. All three games were won by Alberta E, Alberta C & Alberta. Best Batsman Edm Damien Persaud. Best Bowler Edm Adnan Kamal. Best Batsman Cal Anurag Gupta. Best Bowler Cal Grant Broadhurst. Best Batsman Man Suresh Jayaraman. Best Bowler Man John Roux. MVP series Jagroop Sidhu Edm.

The Schools Indoor Kangaball tournament was well attended and was held on the 16th of November at Holy Cross School.

Level 1 Coaching Clinic was held in Calgary 2002. Mark Duncan & Mukul Ahuja were certified. Second clinic was held on 17th November in Edmonton.

A special word of thanks to assistant coach Dr. Bryn Whittaker for handling the U-14s at Holy Cross School Winter Indoor Coaching Centre

Indoor Cricket is growing at a rapid rate within Australia and it is only a matter of time before it is well established in other countries. New Zealand, England and South Africa are now also competing. Sri Lanka is now building indoor centers. This sport which is fast and short will actually take approximately 2hrs for a game to complete. This is ideally suited for Canada and will be very popular due to our long winters & a fitness game for all other sports and beneficial to keep fit for outdoor cricket. At the 2002 World Master's Games Melbourne Australia I played for an Australian team called Sommers in the 40+ mens and was awarded a GOLD MEDAL for being Champions. I wonder whether I am the first ever Gold Medallist for Cricket in Canada.

PRESIDENT'S REPORT 2002 Alberta Schools Cricket Association

The Alberta Schools Cricket Association (A.S.C.A.) was established in 1995 and so entered its seventh year of operation in 2002. The organization remained small but was buoyed by the growing number of young people who showed interest in learning the game.

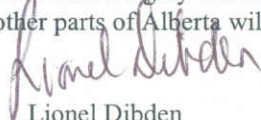

The focus of activities was to continue to expand the number of schools visited by Chris Marthalingham. In 2002, 24 schools in Edmonton, Calgary and Red Deer were visited. A total of fifty or more coaching sessions were conducted.

The winter indoor training for combined schools expanded to two locations with the addition of Dr. Bryn Whittaker to the coaching ranks and the availability of Frere Antoine Catholic School gymnasium. Bryn coached the younger group at Holy Cross and Chris coached the older group at Frere Antoine.

The outdoor combined schools activities were also expanded with the Millwoods nets becoming available for practice in addition to the regular Victoria Park location. It was largely developed youth who made use of these opportunities.

A summer program for younger players was held at St. Peter's school in Edmonton, while the annual live in camp for developed youth to select the Provincial Schools team was once more held in Red Deer. The Alberta Schools Team represented the Province at the Canada Cup Tournament in Toronto, where they performed beyond expectations. Four members of the team were selected to the U25 Western Canadian team.

A small but successful winter indoor schools tournament was held in December at Holy Cross School. It was disappointing that, at the last minute, teams from Calgary were unable to participate in the tournament. It is hoped that in 2003, school teams from other parts of Alberta will participate.
