## SCHOOLS CRICKET 2021

Due to Covid Restrictions, a major portion of Schools had a lockdown on outdoor sports activities.

And, visiting Coaches were barred from conducting coaching training programs. Due to this pandemic, school tournaments were temporarily frozen.

## CLUB CRICKET

Edmonton & District Cricket League Tournaments were reduced to T20/20 Cricket only. Each Cricket Club was allocated 14 games for the season. Practices were curtailed.

The combined Schools Team was also scheduled to play 14 games. The Players made the most of the allotted games. Our young Cricketers performed well, despite the setbacks. Plenty of new talent was witnessed by all.

## CRICKET DEVELOPMENT AND FUNDING

ASCA Funds have drastically diminished during the past two years. Our main source of funding for programs is facilitated by the Alberta Gaming and Liquor Commission (AGLC)

We are discouraged by the postponement of our opportunity to earn program funding, due to the cancellation of casinos by the AGLC, to the first quarter of 2023.

As such, we are working to solicit donations from our supporters, community stakeholders and business organizations.

Your support in assisting us to survive these unprecedented challenges and thrive as we move into the future is greatly appreciated.

With your support, ASCA will continue to groom and provide a training ground for talented sportsmen from Alberta.

For more information on Cricketers trained at Alberta Schools Cricket Association, read the story on Miraj Patel, from Edmonton.
