SCHOOLS CRICKET 2022

The 2022 season was an improvement since 2020, with the pandemic drawing to a close.

We have resumed sports activities; we forge ahead, hoping for the resuming of full activities and community sports programs.

The Elementary Schools Outdoor Championship did not occur in 2022 due to the retirement of teacher coaches.

The Junior High School Championship Tournament was conducted at MillWoods Park in Edmonton and was a great success.

The Champions were Katechegwin Junior High School at this Outdoor Championship game.

Indoor Cricket Tournament was held at W. P. Wagner School Gymnasium in Edmonton.

Junior High Champions were Send Hansen Junior High School.

High School Champions were W. P. Wagner High School.

CLUB CRICKET

The future of Club Cricket is filled with promise. The Majority of players were chosen for the National Tournament held in Winnipeg, captained by Tunvir Sheikh.

The young players are preparing themselves for the upcoming new sports season ahead in 2023.

A new training and playing grounds and facility we are exploring are located at Tamarack MillWoods, in a joint venture between ASCA and Svend Hansen Junior High School.

If this joint effort is successful, it would be ideally suited for community schools in the region.

W. P. Wagner High School has assigned the school's large gymnasium for Schools Cricket Indoor Championship games, moving ahead in November 2023, as an annual event.

The ASCA Casino is scheduled for April 7th & 8th, 2023, at Casino Edmonton.

In our efforts to rebuild and strengthen our Junior Cricket Programs, the Alberta Schools Cricket Association needs the support of each and every student and member, parents and guardians.

Your support is greatly needed and appreciated in assisting our fundraising efforts.

Thank you!
Arthur Christie Marathalingam
Performance Director/Head Coach, ASCA

PRESIDENT'S REPORT

As the President of the Alberta Schools Cricket Association (ASCA) I would like to report on another successful year for the organization. Very noticeable growth and development were evident with our members this year.

Combined Schools team provided an opportunity for the youth to play competitive cricket in Edmonton & District Cricket League. Indoor practices and the Schools T10 outdoor tournament arranged by ASCA and coached by Christie Marathalingham were also very beneficial to the younger members of the association.

I would like to thank all the executives and coaches of ASCA for making this organization a welcoming one for the youth of Alberta. I would like to reach out to Edmonton & District Cricket League executives and its members for their continued support as well.

Fouad Chaudhary
PRESIDENT, ASCA
